This powerful one-step cleansing product is a Cleanser, a Make-up Remover and a Toner all in one. Micellar Water is a skincare product that removes make-up and cleanses the skin, without the need for rinsing. Moisturizes and helps to reduce the three signs of sensitive skin: redness, tightness and dryness.

It is powerful enough to remove make-up, while using very gentle but effective cleansing agents and thus being suitable for all skin types. This rich formulation contains Caviar, Aloe Vera, to help protect the skin against water loss and activate the natural protective mechanisms of the skin. Skin protection, hydration, enhanced cellular renewal and revitalized natural defences are only a part of the benefits of this cleansing product – the perfect start before applying the skincare products.

Micellar cleansing water is suitable for all types of sensitive skin.

Aqua (Water), Glycerin, Aloe Barbadensis Leaf Juice, Hamamelis Virginiana (Witch Hazel) Water, Benzyl Alcohol, Parfum (Fragrance), Caprylyl/Capryl Glucoside, Ethylhexylglycerin, Hydroxide, Caviar Extract, Citric Acid, Potassium Sorbate, Sodium Benzoate, Tocopherol.
